

NEW SWEET AND SAVORY INGREDIENTS

Healthy. Natural. Good For You.

Brookside specializes in sustainably sourced, certified organic ingredients, for inspired sweet and savory flavors in all your formulations.

SWEET:

- Beverages
- Confectionary
- Baked Goods
- Plant-Based and Traditional Dairy
- Snacks

SAVORY:

- Plant-Based and Traditional Protein
- Sauces and Marinades
- Broths

Using our technology, we'll work with you to create customized flavor profiles for finished, clean-labelled products that are healthy, natural and good for everyone.

New Sweetness Modulator:

Calorie Reduction, Mouthfeel Enhancement, Bitterness Blocking

New Vegan Meaty and Fatty Flavor Keys:

Beef, Chicken, Pork, Turkey

Good to Know:

Our new Sweetness Modulator is available in conventional, organic and TTB approved formats, and provides flavor 'pop' in a wide variety of beverages, and sweet and savory sauces.

Organic Certified • Kosher Certified • Halal Certified • Non-GMO • Fair Trade Certified • SQF Level 3 Certified
