FLAVORS & INGREDIENTS

Ingredients For a Healthy Partnership
Umami • Yeast Flavors • Organic

brooksideflavors.com

Brookside is a “Good for You” company with a team of spirited innovators, always ready to collaborate with our customers to create delicious new sensory experiences.

We are different from other yeast and flavor companies because we manufacture solutions for both taste and flavors (natural and organic). We offer exceptional service that includes made-to-stock, drop-in solutions, small customized blends, organic labelling and sourcing know-how.
